MOST EDUCATIONAL CHOICE

Summerlin is home to more than two-dozen schools, including 10 nationally-recognized private schools and 16 public schools. The community's many educational amenities have a well-established track record of academic accomplishments, athletic victories and cultural accolades.

Simply put, Summerlin is the smartest address in town.

COMMUNITY ENGAGEMENT
BEST-IN-CLASS

“That was one thing I was worried about when moving out here was what traffic will be like, and that’s a great thing about Las Vegas is you can get anywhere really quickly, especially out in Summerlin. The 5-7 minute drives to the rink are great. They give you an extra 30 minutes to sleep in the morning, so that’s also key.”

VIA LAS VEGAS SUN

REILLEY SMITH
VEGAS GOLDEN KNIGHTS FORWARD

“Downtown Summerlin is a town center. Our cities are so spread out - Las Vegas, Phoenix, Los Angeles, so you don’t really have a community. A town center. That’s why I think it’s great to have the restaurant here and also events like the ice rink where the Knights play and train and also for the public. It’s amazing and creates a community.”

WOLFGANG PUCK

“Like everybody you think of The Strip, you think of all the nightlife and everything but there’s a lot more,” Marchessault said. “There’s actually a lot of people living here and the community where we live (Summerlin), it’s unbelievable. The people are nice and respectful. I’ve been in a few cities in my career and this is definitely one of the classiest places.”
